

## **Brick Paver Worksheet**

Here is a worksheet to help you design your brick paver. You can practice different combinations of words and letters before filling out the order form. Remember, only one letter, number, or punctuation mark in each square on the application.

All engraving will automatically be centered by the manufacturer.

For questions or help, please call us at 888-229-6126

4 X 8 brick - 14 spaces across and a total of 3 lines (\$100)
